REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

The mission of Creek Bridge High School is to ensure that all students are prepared to succeed in a global society by providing meaningful educational experiences in a safe and nurturing environment. We are proud of our progress in fulfilling this mission during the 2013-2014 school year. We continue to move forward academically, athletically, and socially. Our students participate in a variety of opportunities for success in both the classroom and through extracurricular experiences.

Our teachers continue to teach a standards-based curriculum and analyze data regularly to inform instruction. Frequent, targeted professional development is available both on-site and through regional and state opportunities, and teachers work collaboratively to improve instructional practices and meet the individual needs of students.

Teachers use the Measures of Academic Progress (MAP) tests, Fountas / Pinnell Reading Assessment System, Read 180, System 44, and quarterly benchmarks to monitor student growth in reading, math, and other core subjects. Students with identified weaknesses receive academic intervention during Completion Café, Warrior Time, Weekend Warriors, Leadership Lunch & Learn, Thursday Teacher/Student Academic Professional Development, content and credit recovery, after-school tutoring, or small-group pullout sessions.

Creek Bridge High School is also proud of the wealth of technology available to our students. Our school has laptop carts, Ipads, Ipods, flipcams, digital cameras, and Kindle Readers available and interactive white boards for students to use in completing high-quality projects and assignments. Our school was awarded Palmetto Gold.

We provide a variety of opportunities for students to participate in team sports and leadership activities. Our students have been successful in regional, state, and national competitions in areas of math, business, and art. Athletically, we involve boys and girls in a strong program of football, basketball, baseball, track, and cheerleading.

Also, school organizations such as FBLA, GearUp, and JAG-SC (Jobs for America’s Graduates) allow students to travel to state and national conventions, visit college campuses, and participate in service learning projects in the community.

We will continue to seek ways to improve student achievement and home/school relationships. As always our parents, students, teachers, and community members form a family focused on our students "becoming educated and empowered”.
